Letter of Conformance
(01 111 1732975)

Dear Sirs:

We performed the certification audit to the Quality Management System of your organization, assessed the corrective actions proposed, and verified the closure of the non-conformities of the certification audit. We are pleased to inform you that the Quality Management System of your company complies with the requirements of the Standard: IATF 16949:2016, with the following scope:

- **Design and Manufacturing of the Micro Pump**

Unfortunately, we cannot issue a certificate now, because during the audit we have seen less than 12 months of production records. TÜV Rheinland will continue with the certification process – according to the rules for achieving IATF recognition – when your organization reaches twelve months of production operation, or when you are able to demonstrate that after 12 months you are still in an active bidding process for a customer requiring IATF 16949:2016 certification.

This Letter of Conformance is valid for twelve months:

- Issue date: 25 June 2018
- Expiry date: 24 June 2019

The next audit to your company should be completed before expiry of this letter.

Best regards,

TÜV Rheinland (China) Ltd.
